INTRODUCTION

After roughly 50 years "in dogs", as an owner/handler, breeder, exhibitor (Afghan Hounds and now a Chinese Crested) and judge, a very large number of people know me. What most people don't know is I've worked in the background of administering various dog events. A long time ago, even before computers, I was a member of the Alberta Kennel Club & spent many nights in Susan Badick's basement typing catalogues and judging schedules. There came a point where I was involved in too many clubs - Afghan Hound Club of Canada, Afghan Hound Club of Alberta (now defunct), Alberta Kennel Club, Evelyn Kenny Kennel and Obedience Club, and Foothills Gazehound Club. Life was so busy I backed off of all of them. I still worked for them, but in the background only. Ring stewarding was also part of my dog show life.

I have been, over the years, Chairman of one of Foothills Gazehound Club specialties, Co-Chair of many Afghan Hound Club of Alberta specialties, Chair and co-chair of several Afghan Hound Club of Canada National Specialties and one Regional Specialty. Additionally, I was Chief Ring Steward for Alberta Kennel Club for their Diamond Anniversary show. I've produced many premium lists and catalogues, and assisted with other clubs' premium lists.

Currently, I am immediate Past President of the Afghan Hound Club of Canada. I belong to the Canadian Dog Judges Association (CDJA), and have been President twice, Director several times and Secretary of the Southern Alberta Canine Judges Association (SACJA). I'm sure you can agree that I can bring huge experience to the table with this new undertaking.
