## **A MESSAGE FROM THE PRESIDENT.....**

Welcome to the Westwind Sporting Dog Club's 40th Annual Specialty at the world-renowned Spruce Meadows which opened in 1975.

We celebrated our first specialty in 1983 and forty years later, we're still going strong. This is in no small part due to all our competitors who showcase their amazing dogs. A big thanks also to our esteemed judges, ring stewards, show secretary Terry Olson, and our hardworking club members. We also send a big shout out to Country Club Pet Resort and Shannon Scheer for their contribution, and also Purina ProPlan and Rollover Premium Pet Foods for supporting our club. This year we have our Sweepstakes on Friday evening, followed by the Specialty on Saturday with the added bonus of Junior Handling during the lunch break on Saturday. It is an honour to be associated with this club and its ongoing mission to promote purebred sporting dogs. Here's to the next forty years!

Sheona Schulenburg  
President

**\* \* \* SPECIALTY JUDGES \* \* \***

**Ms. Marjorie Martorella**

**Will Judge all Sporting Breeds other than Pointers**

Marjorie Martorella was born and raised in Brooklyn, New York. Her involvement in purebred dogs began in 1966 with the purchase of a pet Irish Setter. Obedience training and obedience trials brought her into contact with the show world. In 1968, Marjorie purchased her first Pointer and has not been without one since.

Marjorie graduated from Wagner College and received a Masters Degree from Long Island University. She is a retired New York City Intermediate School Teacher. She currently resides in Millstone Township, New Jersey.

In 1974, Marjorie had her first Pointer litter under the Marjetta prefix. Since then she has bred over 158 Pointer Champions, 9 Best in Show winners and a National Specialty winner. The most momentous win was Best in Show at the Westminster Kennel Club in 1986 with Ch. Marjetta National Acclaim, handled by Michael Zollo and owned by Mrs. Robson. He went on to become the Top Stud Dog in the History of the breed.

Marjorie was an AKC licensed handler and eventually applied for her judge's license in 1981. She is approved to judge the Sporting, Hound Group and Working Groups and 3 Non-Sporting breeds. She has judged National Specialties in Pointers, German Wirehaired Pointers, Brittany's, Nova Scotia Duck Tollers, Labrador Retrievers, Irish Setters, Vizslas and Mastiffs. Marjorie has judged the Sporting Group at the AKC Show as well as the Hound Group at Westminster KC. Judging has taken her to many foreign countries as well, including Canada, England, Ireland, Finland, Brazil, the Dominican Republic, Mexico, El Salvador, Spain, Italy, Colombia, Argentina, Brazil, Australia, China, Japan, South Korea, Sweden, Switzerland, Norway, New Zealand and South Africa.

While judging in Finland in 1992, she was attracted to a line of English Cockers and subsequently acquired a bitch from the Northworth kennel. She started breeding English Cockers and acquired several other English bred imports. Marjorie has either bred or owned 22 English Cockers Champions and several with Obedience and Agility titles.

**\*\*\* SPECIALTY JUDGE \*\*\***

**Ms. Wendy Hamilton-Petkau**

**Will Judge Pointers**

The year 1982 marked the beginning of the Auburnmist Golden's, which Wendy is known for today; with her first litter from some top English & American lines. To date, Wendy has produced some Top winning Golden's in Canada, and multiple Best in Specialty winners, as well as in the U.S.; Auburnmist Golden's have consistently won under many international Breeder/judges, at various Specialties and All Breed shows on both sides of the border, most recently Am.Can.Ch. Auburnmist Harmonie For Story, taking multiple Breed wins and Group 2 placings from the classes and finishing her Am championship at 20 months. She finished her Canadian Ch. in 2022 winning Best of Winners at the Golden regional and the following day taking a JAM at 17 months of age at the Canadian National.

Initially Wendy was only interested in the conformation side of the purebred dog world. After meeting her husband Keith, she changed direction slightly to maintain the intelligence and trainability, the Golden Retriever has become known for. With this change they have also produced many Performance dogs, High in Trial dogs, with 3 of those attaining the perfect 200 score! Keith and Wendy have been entertaining the crowds with their talented Golden's performing with the Spruce Meadows Prairie Dog Agility Team, since 1988.

In 1995, Wendy and her husband Keith opened the Auburnmist Training Centre Inc., a Canine Education Centre for obedience and agility. In recent years we have retired from teaching performance sports/events. Although we still maintain a safe boarding environment for all dogs, and of course conformation handling for all purebreds. Wendy always enjoys encouraging new people to learn how to show their own dogs.

Over the years, Wendy has consistently been involved with breed clubs, serving as either an officer or a director. She is presently the President of the Alberta Kennel Club, which organizes Canada's Largest Outdoor Dog Show. With her ties as a leading member of the Spruce Meadows Prairie Dog Agility Group, in 2010, she was instrumental in promoting the Club to move to the #1 World renowned equine venue, Spruce Meadows! Our club is hosts for many breed/group specialties, the Alberta Kennel Club has become a destination show for many dog enthusiasts, from around the world.

**Ms. Judith Brown**

**Will Judge All Sweepstakes**

My passion for dogs began at a young age and I have been actively involved in the world of dog breeding and showing for many years. I moved to Canada in 1978 and after researching into different breeds I began showing and breeding Gordon Setters under the Sassenach prefix in 1981. I have consistently produced dogs that are known for their beauty, athleticism and intelligence. I am a lifetime member of CKC, past president of the Gordon Setter Club of Canada, member of the Gordon Setter Club of America, Pacific Northwest Gordon Setter Club and Tartan Gordon Setter Club. Throughout my career, my Gordons have amassed countless titles in showmanship, hunting, rally and obedience. My dedication to the sport has earned a reputation as a breeder of Gordon Setters with sound minds in sound bodies. I have been fortunate enough to win both Canadian and US Gordon Setter National Specialties with my homebred boy Edward. My dogs have won numerous best of breed awards in both North America and Europe and have been recognized for their excellence and consistency. In addition to my success in breeding and showing, I have a deep commitment to the welfare of sporting dogs. I work to promote responsible breeding practices and to ensure that all of my dogs are healthy and happy.

**The Westwind Sporting Dog Club** supports those who own Purebred Sporting Dogs.....whether as pets, as hunting dogs, as obedience dogs or as show dogs for conformation.

We believe that the Sporting Dogs are the most versatile of all dog breeds, and our Club activities reflect this belief.

No matter what kind of life the dog will live, body soundness is of major importance and to ensure this, Club members have all breeding stock checked and certified free of the inherited disease of Hip Dysplasia and checked for eye diseases, including Progressive Retinal Atrophy, also an inherited disease.

No less important than soundness of body is soundness of mind and stability of temperament. Field and obedience work utilize both of these characteristics, and are encouraged .

While the working capabilities of our dogs are inherent and necessary to the welfare of our breeds, so also is an adherence to the standards laid down for those breeds - the physical properties which make them different from each other. This can be judged only in the show ring, and so we participate in this type of activity also.

In short, the aim of the Westwind Sporting Dog Club is to produce and promote purebred dogs which are capable of doing the work for which they were originally intended, while at the same time keeping them handsome enough to satisfy those who wish only for a good-looking pet and companion.

## **FLUSHERS**

Ten of the Spaniel breeds are commonly referred to as "Flushing Dogs", since it is their way of hunting to jump right in and scare the birds up for the gunner. Said to have taken their name from their Spanish homeland, they are medium-sized, compact dogs, quite square in outline.

## **POINTERS**

Pointers are among the oldest of the bird dog breeds, and are related very closely to the hounds. Trained to "point" game with their heads low and their tails high, they must be able to hold a bird in place until the hunter arrives. The approximately nine breeds of pointers were developed in many different countries. Perhaps the best known in North America being the German Short-haired Pointer, the English Pointer and the Vizsla. The Blue Picardy and Brittany Spaniels are included in the Pointer classification.

## **RETRIEVERS**

Retrievers were developed to find dead or wounded game and retrieve it to the hunter. Their coats had to be thick to withstand the extreme cold and exposure to water in the northern climates. Among the six varieties of retrievers are: The Chesapeake Bay - which is one of the few breeds developed in the United States. The Curly-Coat - considered the oldest of the retriever breeds. The Flat-Coat - known as the "Game-keeper's" dog. The Golden - which is descended from the Russian trackers and developed in Scotland. The Labrador - which hails from Newfoundland and was originally used to retrieve nets from the icy waters of the Atlantic. The Nova Scotia Duck Toller - which is the smallest of the retrievers and uses its tail to attract water fowl into the hunter's gun range.

## **SETTERS**

Setters were developed from a blend of pointer and spaniel blood. The name Setter comes from the fact that they are used to indicate birds by lying or "setting", although they now stand with head down and tail up, as do the pointers. Rumour has it that they were originally poachers' dogs. Originally developed in the United Kingdom, setters are now used for bird hunting all over the world.

## **CREATION**

(According to Canine Historians)

On the first day God created the dog.

On the second day, God created man to serve the dog.

On the third day, God created all the animals of the earth to serve as potential food for the dog.

On the fourth day, God created honest toil so that man could labour for the good Of the dog.

On the fifth day, God created the tennis ball so that the dog might or might not Retrieve it.

On the sixth day, God created veterinary science to keep the dog healthy and the Man broke.

## **CHAMPIONSHIP POINTS**

A dog awarded Winners at a conformation show shall be credited with a number of championship points (ranging from 0 to 5) and the number of championship points credited to a dog awarded Winners shall be as provided hereunder.

The schedule to be employed in the determination of the number of points awarded Winners shall be as follows:

Dogs competing*	1	2	3 to 5	6 to 9	10 to 12	13 or more
Points allocated	0	1	2	3	4	5

\* includes the dog awarded Winners

In counting the number of eligible dogs in competition, a dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall **not** be included in the calculation for championship points.

If a dog awarded Winners is also awarded Best of Breed at the show, then all dogs competing in the breed, including Specials Only, shall be included in the total.

If a dog awarded Winners is also awarded Best of Opposite Sex to Best of Breed, then all dogs of the same sex including those competing in Specials Only shall be included in the total.

If a dog awarded Winners is also awarded Best of Winners, then all dogs defeated directly or indirectly in the breed shall be included in the total.

If a dog is awarded Winners only, then all the dogs of the same sex in the class competition shall be included in the total.

The number of championship points to be credited to a dog awarded Winners shall be determined by the highest award earned and calculated as per this section.

Clarification:

Example of directly or indirectly defeating: If the Winners Bitch is awarded Best of Opposite Sex but not Best of Winners, the Best of Winners Dog shall be deemed to have indirectly defeated the Specials bitches, and is thus entitled to add them to the number of dogs and bitches defeated.

In addition to championship points allocated at the breed level, a dog awarded Best of Breed that also places in the regular group competition shall be credited with the following additional points provided that a dog was defeated at the group level.

NUMBER OF DOGS COMPETING AT GROUP LEVEL	PLACED FIRST	PLACED SECOND	PLACED THIRD	PLACED FOURTH
13 or more	5	4	3	2
10 to 12	4	3	2	1
6 to 9	3	2	1	1
5	2	1	1	1
4	2	1	1	0
3	2	1	0	0
2	1	0	0	0
1	0	0	0	0

A dog may not be credited with more than five (5) championship points in a single show.

Permission shall be granted a club or clubs to hold shows in such a way that any dog may earn three (3) sets of championship points on the same day, provided that one or more of those sets of points is awarded at a specialty for that breed or group.

A dog awarded Winners that also places Best in Show at an all-breed conformation show shall be credited with five (5) championship points inclusive of any points earned at the breed and group level.

In order for a dog to be recognized as a champion and its owner provided with a championship certificate, the dog must:

- a) Earn at least 10 championship points under at least three (3) different judges;
- b) Be registered in the records of the CKC, have an Event Registration Number (ERN) or have a Miscellaneous Certification Number (MCN);
- c) Have earned at least one 2-point win either at the breed or group level.

The Board interprets the words "earn at least 10 championship points under 3 different judges" to mean:

- a) Three (3) or more Winners awards at not less than three (3) different shows, under three (3) different judges at the breed level;
- b) Each of the three (3) judge's awards must be one or more championship points won at Winners, Best of Winners, Best of Breed or group placing;

## Pointer (German Short-Haired)

**Mitch & Mabel Ferguson, pictured snuggling a Piper puppy!**

Mitch & Mabel's dedication to the German Shorthaired Pointer breed was surpassed only by their love and dedication to each other.

Mabel's father was in the British military and stationed in Jamaica where Mabel was born in 1928. Her father's next posting was to Scotland where the family lived in Stirling Castle. When Mabel was 14 years old attending school in Stirling, she met the love of her life, Mitch Ferguson. Mitch later immigrated to Canada in 1950 for work, returned to Scotland to marry Mabel in 1959 and both returned to Canada where Mitch worked for the Hudson's Bay Company in Saskatchewan, where he also studied accounting. They later moved to Edmonton and Mitch worked as an accountant for Imperial Oil, Mabel found work at the U of A Psychology Department and ultimately became the Head Administrator for the department.

While serving for the British military in Germany in 1948 Mitch was introduced to the German Shorthair Pointer breed which was to become such a big part of his life. In 1969, after the Ferguson's settled in Edmonton they searched overseas, found their first GSP, Jangrath Fleck in England and thus began a lifelong passion for the breed. In addition to upland bird hunting with Fleck, their dog competed in field trials throughout Alberta. Mitch and Mabel jointly served as the Secretary/Treasurer of the Alberta Pointer & Setter Club for 5 years. After four years, Fleck's son, Smokey joined the Ferguson household and continued in the tradition of field trialing and upland game hunting.

In 1984 the Fergusons welcomed a GSP puppy named Piper. This puppy would go on to become: BISS Am Ch MBIS Can Ch Malhaven Pied Piper. Piper was the number one GSP in Canada in 1987 and number six sporting dog. In 1989 Piper was once again top GSP and this time number four sporting dog. Piper became the top winning GSP in Canadian history, a record held until 2001, shown by Mitch and Mabel's dear friend, Hugh Middleditch. Mitch and Mabel continued to support the breed and the sport as spectators. They could often be found at a show-grounds enjoying the friendship of like-minded fanciers and the many dog show friends they had made over the years.

The Fergusons are fondly remembered by all that knew them, as kind and friendly competitors who were equally gracious whether losing or winning.

It is with great pleasure that German Shorthaired Pointer Fanciers and friends of Mitch and Mabel to honor the memory and contributions of the Fergusons, with the presentation of the Mitch & Mabel Ferguson Memorial Trophy. This perpetual trophy will be awarded each year to the Best of Breed GSP at the Westwinds Sporting Dog Specialty.
