CKC SCENT DETECTION RULES & REGULATIONS

Rule 6.6 - Health

6.6.1 No dog may be entered at a trial if it has any communicable disease.

6.6.2 Dogs entered in a test must have current immunization status*.

6.6.3 No dog may be brought onto the grounds or premises of a trial if it:

- (a) Is known to have distemper, parvovirus, kennel cough or other communicable disease, or
- (b) Has recovered from distemper, parvovirus, kennel cough or other communicable within the last 30 days.
- (c) Has been housed within 30 days prior to the trial on premises on which there existed distemper, parvovirus, kennel cough or other communicable disease.

6.6.4 Where it is found that these rules have been contravened, the dog in question shall be removed from the premises and the exhibitor/handler will be subject to disciplinary action.

**Exhibitors / Handlers are urged to carry proof of current immunization, or be able to easily obtain and produce it, in the event a dog's immunization status is questioned*.*

It shall be the duty and obligation of the trial giving club to see that a judge, club official, volunteer or any participant at an event held under these rules is not subject to indignities of any kind. The Event Committee Chair shall promptly report to the CKC any infringement of this regulation, and the CKC shall have the authority to take such action as it deems fit on receipt of a report indicating that this has occurred.
